- AA Speaker, Steve from CA- “This is exactly what I needed, this conference is so spiritual. We will be back next year.”
- AA member from Oklahoma- “Best Conference, next year I’m coming back and bringing a whole load of people with me”
- AA Newcomers- “The speakers were great, I learned a lot. I now feel a part of the fellowship
- AA members from Newport Beach CA- “It was phenomenal. This was our second time coming. We are coming back every year. This is the best conference with the most loving group of people we’ve come across in AA. Reminded us to get out of God’s way and stay in action and in the middle.
